**Comments on teaching (strengths, areas for improvement)**

[Student 5598](#) - Very good TA - his recitations were very well structured. I could definitely recognize his ability in probability as he answered most questions very fast while providing very good intuition.

[Student 17560](#) - Great TA! Very good at presenting examples to reinforce the theory learned in class.

[Student 30983](#) - Vishrant answers my questions promptly and patiently. Kudos

[Student 37876](#) - The class on Markov Chains was very clear. The ideas were communicated very effectively.

[Student 49104](#) - Vishrant always took the time to explain everything in details during office hours, he really helped me understand some points I had trouble with.

[Student 49568](#) - Your effort in helping students in this class is greatly appreciated. Thanks so much Vishrant.
